MISSION STATEMENT

The Clubhouse at Raymer is a child-centered facility that utilizes friendly service and a kind, knowledgeable staff to provide a quality program for group daycare and Out of School care. This care is provided in a clean environment that addresses the individual needs of each child through a whole child approach: social, emotional, recreational, and educational.

CUSTOMER CARE

Our exceptional level of customer care sets The Clubhouse at Raymer apart from other child care centers. When polled, parents cited “kind, caring, and knowledgeable staff” as the single biggest draw to The Clubhouse. Our clean and aesthetic facility provides age-appropriate spaces for all children to enjoy.

The Clubhouse is a non-profit society governed by a Board of Directors that meets every month. All parents are welcome to attend. A General Meeting is held annually, and it is important that all families attend. Child care and dinner will be provided for the children.

CLUBHOUSE AT RAYMER GROUP DAYCARE: PROGRAM PHILOSOPHY

The daycare provides an environment that promotes the emotional, social, intellectual, and physical development of the individual child. This development is nurtured through art, music, stories, and manipulative and large muscle play. Through example and loving care, we emphasize appropriate behaviour and problem solving skills. Dedicated, caring educators offer a child-centered foundation. Early learning, school readiness, and fun are key concepts used to encourage the growth and development of all our children.

FEES AND PAYMENTS

THE CLUBHOUSE AT RAYMER GROUP DAYCARE

FULL-TIME CARE POLICY

A full-time child is a child who attends the Center four or more days a week. The full-time child may attend the Center between the hours of 7:30 a.m. and 5:30 p.m. The times of arrival and departure are established when the child is enrolled at the Center. If the drop off or pick up time changes, even for one day, the Center must be notified. It is necessary to maintain a child : staff ratio within the limits of licensing standards.

Payment is set at the time of registration. Post-dated cheques are required for the first day of each month and must be given to the Center in order to complete registration. The space that is booked must be paid for. There is no reimbursement for sick days or statutory holidays that fall on scheduled days. This policy is in place to comply with our child:staff ratio regulations as set out by the Child Care Licensing Department. Any variation of this policy is at the discretion of the manager and the board of directors.

PART-TIME CARE POLICY

A part-time child is a child who attends the Center for three or less scheduled days every week over the course of the year, and shares a space with another part-time child so that between the two they attend for the full week. These days are scheduled for the year, and both children are guaranteed a spot as long as both are enrolled in the program. If one child withdraws, the other will be responsible for full-time fees unless another part-time child is found. Part-time spaces for children are limited and are at the discretion of the manager. The cost is set at the time of registration and will be paid the same way as a full time space. Post-dated cheques are required for the first of the month and must be given to the Center to complete registration. Booked space must be paid for. There is no reimbursement for sick days or statutory holidays that fall on scheduled days.

DROP-IN POLICY

All children must be registered at The Clubhouse prior to being accepted for drop-in. **A spot must be booked at least 24 hours in advance and is dependant on availability.** Drop off time will be no earlier than 7:30 a.m., and pick up time will be no later than 5:30 p.m. The fee must be paid on the day of service.

Unless it was cancelled 24 hours in advance, any booked spot must be paid for. Any variation of this policy is at the discretion of the Manager.

WITHDRAWAL

In the interest of both parties, there is a 30 day trial period beginning on the child's start date. The contract may be terminated by either party during this time. The family will be charged for the days of care given, and any unused fees will be reimbursed within two weeks. After the 30 day trial period, one month's written notice is required if a child is leaving the Center. One month's fee will be required in lieu of notice. Unused post-dated cheques will be returned to the parent upon withdrawal from the Center.

ARRIVAL OF CHILDREN

Children must be delivered by a parent or guardian into the care of the staff at the Center. Parents or guardians are responsible for signing their child/ren in on the daily attendance sheet. Children must never be left at the door or dropped off outside the building. It is unacceptable for anyone under the age of 19 to sign a child in or out of the Center, even if the parents/guardians are waiting for the child/children in the vicinity of the room.

If your child will not be attending the Center on a scheduled day, you must inform the Manager prior to the anticipated time of the child's arrival. You must call 250-860-6177 to ensure that Clubhouse staff are aware of your child's absence.

THE CLUBHOUSE AT RAYMER GROUP DAYCARE

DEPARTURE OF CHILDREN

Parents or guardians are responsible for signing their child/children out on the daily attendance sheet.

When the parents/guardians pick up their child/children from the playground, parents/guardians must first inform the staff who are at the playground, and then enter the Center to sign out their child/children.

Children must be picked up promptly at the end of their scheduled day. Parents are responsible for notifying the Center if they are going to be delayed picking up their child/children for any reason.

Consistent arrival and departure times must be set and adhered to. This is important in maintaining a correct staff : child ratio.

PLEASE NOTE:

Closing time is strictly enforced. If your child is picked up after 5:30 p.m. you will be billed a \$10.00 late charge per child.

Staff will not release children to anyone other than the parent, unless informed in writing prior to pick up. Anyone permitted to pick up a child must arrive at the Center with photo identification.

If a child has not been picked up by the parents/guardians by closing time, every effort will be made to contact the parents/guardians and the emergency contact. If the staff are unable to contact the appropriate adult within two hours, the Manager will contact The Ministry of Children and Family Development and arrange care for the child until the parents can be contacted.

CLOTHING

Upon arrival at the Center, your child must be fully and appropriately clothed for the season. It is common for young children to have accidents, so please ensure that your child has a full change of clothes—socks, underwear, pants, and a shirt. All clothing must be labeled with your child's name. The Center accepts no responsibility for loss of clothing or other articles.

To provide additional comfort during nap time, please ensure that your child brings a blanket and a stuffed animal from home. These items will remain in the daycare room and will be laundered at The Clubhouse on a weekly basis.

Children need safe footwear, such as runners or sturdy sandals with ankle support and a strap around the heel. Running shoes should have velcro straps. Shoes with slippery soles, backless sandals, flip-flops, or slippers may not be worn in the Center. Dress shoes are not appropriate for the daycare room or the playground. During the winter, please ensure that your child brings shoes which are designated for indoor use only.

SEPARATION

The beginning of daycare is an exciting time in a child's life, but that excitement may also be accompanied by confusion and uncertainty. In order to foster feelings of confidence and security, and to ease the transition from home to preschool, we offer the following suggestions to parents:

- In advance of the first day, discuss daycare in positive terms with your child. Affirm that daycare is a safe and fun place to learn and play.
- Explain to your child that the daycare staff are always available to help.
- Tell your child when you will be leaving and when you will be returning.
- Say goodbye in a positive but firm manner, and reassure your child that you will see him/her soon.
- Tears are not uncommon. Be assured that they dry quickly once children begin to play and explore.

THE CLUBHOUSE AT RAYMER GROUP DAYCARE

ROUTINE FOR ENTRY AND EXIT AT THE CLUBHOUSE

The Clubhouse at Raymer maintains an open door policy to ensure that parents and guardians have easy access to their child/children. However, for the safety of the children, the exterior doors remain locked.

Please follow the procedure outlined below. If you have any questions or concerns, please do not hesitate to address them to the management.

Clubhouse families will enter and exit through the back (West) door of the building. Ring the doorbell, and a staff member will let you in. This allows the staff to carefully monitor all arrivals and departures.

Please note: children are never allowed to open the door, they must wait for an adult before they enter or exit the building.

If exiting the building through the Front Door (facing Richter Street), it is extremely important to ensure that the door is closed behind you. This is a good opportunity for parents to reinforce to their children that the locked door protects them and as such they should never open the door unless an adult is with them.

Please Note:

The Clubhouse at Raymer is a smoke free zone. Please refrain from smoking in and around the Center.

CUSTODY, ACCESS, AND CHILD SAFETY

On the registration form you must list everyone who has permission to sign your child out of the Center. As the Center provides service to many blended families, there may be many adults on each child's pick up list. Staff must be certain that the person who has come for your child is the person you have designated for that day. To ensure the safety of the children and the Center, we must all adhere to the regulations outlined below.

Staff will not release your child to anyone who is not on your pick up list. Changes to your pick up list must be made with the manager and initialed.

Even if someone is on your pick up list, he /she will not be permitted to pick up your child unless you have provided written notice prior to pick up.

If you have not notified the Center of an alternate arrangement, or if there is any confusion regarding pick up, a staff member will call you to clarify the situation. If we cannot reach you, we will not allow your child to be signed out. If necessary, we will call your designated emergency contact and request that he /she comes to pick up your child.

Anyone on your pick up list must be prepared to show identification when requested. There may be a staff member on duty who is not acquainted with the person designated for pick up. In that event, the staff member is obligated to verify identity.

You are responsible for ensuring that anyone designated to pick up your child is aware of these policies. When staff request identification or refuse to release a child to someone who is not on the pick up list, they are following mandatory safety protocol; these measures are not based on a judgment of suitability and should not be taken personally.

The Clubhouse has an open door policy for parents only. No one else will be granted access to your child while they are at the Centre. Copies of court orders pertaining to custody and access to your child must be supplied at the time of registration, or when they come into effect.

THE CLUBHOUSE AT RAYMER GROUP DAYCARE

MEDICATION AND ILLNESS

Children who are ill must remain at home. The parent must call before 9:00 a.m. to inform the staff when a child will not be attending the Center due to illness. If the child becomes sick at the Center, the staff will call the parents/guardians and request that they pick up the child.

If a child has been absent from the Center because of a contagious illness, the child must have a doctor's permission to return to the Center. When visiting your doctor, please ask for a written note stating when the child is no longer contagious and can return to the Center. Some examples of contagious illnesses include: pink eye, chicken pox, impetigo, etc. For a more complete list of common illnesses, symptoms, and recommendations, please refer to ILLNESS IN CHILD CARE, A QUICK GUIDE.

Please Note: The medical Health Officer is the ultimate authority if there is a dispute about a child's suitability to return to the Center.

NO MEDICATION WILL BE ADMINISTERED WITHOUT FOLLOWING THE PROPER PROCEDURES

If you wish any medication to be given to your child, you must fill in a medication form. We may only administer prescription medication or non-prescription medication that is accompanied by a doctor's note. Prescription medication will only be given if it is in its original container. Vitamins or medications found in a child's possession or in a lunch box will be removed and given to the parent.

THERE WILL BE NO EXCEPTIONS

You must give permission for the staff of The Clubhouse at Raymer to obtain the necessary medical aid, including ambulance service, for your child/children in case of an accident or injury.

NUTRITION

A daily lunch program is provided for Group Daycare . Menus will be posted each week. Breakfast is also available until 8am each morning. The children will be offered a healthy and nutritious lunch each day, as well as morning and afternoon snacks. The Centre is responsible for ensuring that every child receives the proper daily nutritional requirements, as outlined in the Health Canada Food Guide.

Please discuss your child's individual nutritional needs with the staff. To ensure the health and safety of your child, it is crucial that you inform the Manager of your child's allergies. Depending on the severity of those allergies, the Manager may have you complete a separate form to describe your child's allergies and outline the proper procedures for staff to follow in the event of an allergic reaction. All staff will be aware of the information contained in this form. We hope that due diligence in this area will protect your child from harm.

PLEASE NOTE:

FOR THE SAFETY OF CHILDREN WITH ALLERGIES, THE CLUBHOUSE AT RAYMER IS A NUT-AWARE FACILITY. PLEASE DO NOT SEND YOUR CHILD WITH ANY ITEMS THAT MAY CONTAIN TRACES OF NUTS.

GUIDANCE POLICY

Behavioural guidance is essential to the smooth running of the Center. It is a continuous process of guiding behavior to assist children in developing self-control, self-confidence, and self-discipline. The children will learn to be responsible and accountable for their own behavior. We want to enhance the child's self-respect and respect for others. With the staff's knowledge of child development and the growing relationship with the children, potential problems can be anticipated and avoided if we:

1. Set limits and expectations with simple, clear and consistent guidelines.
2. Explain limits in a positive rather than negative manner.
3. Focus on the behavior rather than the child.
4. Reinforce appropriate behavior and redirect unacceptable behavior.

These guidelines will be reinforced during the daily activities of the Centre, and all staff will model appropriate, acceptable behavior. Unacceptable behavior will result in a conference between the child, staff, and the parent.

It is requested that children do not bring their toys to the Centre. Toys from home often cause added disruptions for both the children and the staff. We provide a wide range of stimulating, educational toys for all children to enjoy.

INSURANCE AND FIELD TRIPS

The Clubhouse at Raymer maintains fire, theft, and liability insurance. Staff vehicles that may be used occasionally for transporting children carry extra liability insurance. All staff driving children will carry the proper license required by the Motor Vehicle Branch. Our transportation policy is available to parents upon request.

You must provide your consent for The Clubhouse at Raymer to take your child/children on suitable field trips. Your permission will be obtained when you initial the field trip consent section of your registration form. The Center will give ample notice when field trips are going to occur.

COMMUNICATION

Open communication between the staff and the families is essential for the smooth running of the Center. Newsletters will be sent out monthly, and notices will be posted on the parent communication board.

Please advise us of any changes in your family or schedule, however insignificant you think those changes might be. When you need to inform staff of holidays, alternate pick ups, changes in scheduling, etc., please submit a written copy of those changes to the room supervisor or manager.

Everything must be taken into consideration when caring for your child. Ask questions, share concerns, express your needs, and tell us what you like about the Center. We want to hear from you.
